### 2. Surrender of Intake and Discontinuation of Program:

The committee approved the proposal to surrender 100 seats from the B. Com stream and to discontinue the PGDHRM program from the upcoming academic year.

### 3. Research Centre Proposal:

It was resolved to initiate the process for obtaining approval for a Research Centre affiliated with Bangalore University. The following infrastructure and resource requirements were identified as prerequisites:

- A dedicated classroom equipped with ICT facilities.
- A library with an adequate collection of reference books.
- A laboratory equipped with required software.
- At least two faculty members with Ph.D. qualifications.
- A dedicated server for research data and operations.

### 4. Introduction of New Course – Data Analytics in B. Com:

The committee approved the introduction of Data Analytics as a subject/course within the B. Com curriculum. Workload calculations for this new addition will be undertaken by the respective department heads.

### 5. Workload Calculation:

The workload related to the introduction of Data Analytics will be reviewed and finalized based on the number of teaching hours and available faculty.

### 6. Fee Structure:

The committee decided to retain the existing fee structure for all programs for the Academic Year 2025–26.
