

Human Rights Cell

Activities for the Academic Year 2025–2026

The Human Rights Cell of RPA First Grade College organized a series of activities during the academic year 2025–2026 to promote awareness of human rights, constitutional values, democracy, and social responsibility among students.

On 15 September 2025, the Cell conducted a Presentation on the theme "Constitution of India Protects Human Rights." Students actively presented their views on fundamental rights, equality, justice, and democratic principles, demonstrating a sound understanding of the Constitution and its role in safeguarding human rights. The activity enhanced students' awareness, public speaking abilities, critical thinking, and presentation skills.

On 12 May 2026, in observance of National Civil Service Day, the Cell organized a Podcast Role Play Activity. Students assumed the roles of public servants such as an IAS Officer, Health Minister, MLA, and Education Minister, showcasing the responsibilities and challenges associated with public administration and governance. The activity provided valuable insights into leadership, decision-making, public service, and the functioning of democratic institutions.

Through these initiatives, the Human Rights Cell continues to foster constitutional awareness, civic responsibility, ethical leadership, and respect for human rights, empowering students to become informed, responsible, and socially conscious citizens.
