NSS Orientation Date 23/7/2025

NSS Unit of RPA FGC conducted an NSS Orientation Programme aimed at introducing new volunteers to the objectives, responsibilities, and core values of the National Service Scheme. The session provided detailed insights into community service activities, discipline, and the importance of youth participation in social development. I ensured smooth coordination throughout the programme by guiding students, addressing their questions, and motivating them to actively participate in upcoming NSS initiatives. This orientation helped create awareness, build confidence, and prepare volunteers for meaningful community engagement.

Blood donation camp 12/8/2025

Blood donation is a noble act that saves lives. It involves voluntarily giving blood, which is later used for patients who need blood due to surgery, injury, illness, or medical conditions like anemia, cancer, or thalassemia. It is a vital part of any healthcare system and reflects human compassion and solidarity.

Alumni Meet 21/02/2026

Good morning, everyone. Today we are gathered here for the Aluminum Meeting to discuss important topics related to aluminum production, quality, usage, and future developments. Aluminum is one of the most widely used metals in the world because it is lightweight, strong, corrosion-resistant, and recyclable. It plays a vital role in many industries such as construction, transportation, packaging, and electronics.
